I. PROGRAM DESCRIPTION: The Ed.M. program for adult and continuing education is designed for individuals working in educational, non-profit, community-based, health care and corporate settings who wish to develop the knowledge and skills for designing, implementing, assessing, and evaluating learning experiences in formal and informal settings for adults.

The 30 credit program is designed to develop conceptual and practical understanding of the adult learner, how to plan classes and programs that are best suited to meet the needs of adult learners, and how to create learning contexts that can encourage sustained learning and productive change in a variety of context in which adults learn.
