I. PROGRAM DESCRIPTION: This fifteen-credit online graduate certificate program is available to students enrolled in master's and doctoral programs in many fields at Rutgers, and is open to all with a bachelor's degree. The certificate program is designed to help New Jersey educators, districts, and parents meet the challenges of educating the gifted. This special program draws on input from district superintendents, teachers, parents, the Educational Information and Resource Center and the statewide advocates for gifted children, including the New Jersey Association for Gifted Children. The curriculum, developed in alignment with state and national standards, addresses the social and emotional development of the gifted child, curriculum design and implementation, pedagogy, instructional strategies, and the development and administration of a gifted education program.
