NON-DEGREE BILINGUAL/BICULTURAL EDUCATION
ENDORSEMENT PROGRAM
Leading to NJ Bilingual/Bicultural Certification
Revised December, 2013

I. PROGRAM DESCRIPTION: The Bilingual/Bicultural non-degree endorsement online program is designed for individuals who possess a New Jersey Standard teaching certificate or Certificate of Eligibility with Advanced Standing (CEAS) in mathematics, science, social studies, or elementary education and who wish to earn the Bilingual/Bicultural endorsement. The program consists of seven courses (21 credits) and does not, by itself, lead to an academic degree. Candidates will be recommended for the Bilingual/Bicultural endorsement upon completion of the 21-credit program. All 21 credits in the endorsement program must be completed online at Rutgers University. No transfer credits will be accepted.

The program does not lead to a degree and is usually completed exclusively through online courses. If students are interested in taking an endorsement course offered on the New Brunswick campus, they must obtain special permission from the instructor.

Applicants interested in obtaining their initial teaching certification should apply to the Ed.M. certification program in English as a Second Language rather than this program. Bilingual/Bicultural certification is not available as an initial certification program.

Students admitted to this non-degree program may apply to the Ed.M. in Language Education with Endorsement in Bilingual/Bicultural Education program prior to completing 12 credits and, upon acceptance, may complete both the certificate and the Master’s degree. It is essential to apply early because taking the courses does not guarantee acceptance to the Master’s program.

II. APPLICATION DEADLINES: No applications can be admitted less than two weeks before the beginning of the semester in which the program would be started. Applications must be submitted and complete at least two weeks before the beginning of the semester.

III. APPLICATION REQUIREMENTS: To be considered for admission to the program, applicants must provide all of the following:

1. Photocopy or electronic copy of a New Jersey Standard Instructional Certificate or a Certificate of Eligibility with Advanced Standing (CEAS).
2. A personal statement that briefly describes an experience with English language learners and bilingual students and explains why the applicant wishes to enroll in our non-degree Bilingual/Bicultural Certification Program.
3. One letter of recommendation.
4. Undergraduate and graduate transcripts. Applicants must hold a bachelor’s degree from a regionally accredited college or university. Applicants are not usually admitted with a GPA less than 3.00 in their most recent degree.
5. Passing scores on the Oral Proficiency Interview and a Written Proficiency Test in English and in the target language administered by ACTFL. (Any test scores submitted must be less than five years old. Scores must be official, not self-reported.)

Only complete applications will be reviewed.
IV. HOW TO APPLY:

1. **Current GSE Students:** All applicants who are currently enrolled in a GSE program and wish to begin the endorsement program while continuing their current program should contact the GSE Office of Student and Academic Services (OSAS) at academic.services@gse.rutgers.edu.

2. **Non-GSE Students:** Applicants who are not current GSE students apply online at the Graduate Admissions website: http://gradstudy.rutgers.edu/

   i. Submit your application and authorize payment for the non-refundable application fee.

Applicants are responsible for reviewing and confirming that they meet program requirements before the application is submitted. Rutgers Graduate School of Education WILL NOT refund the application fee if an applicant is not accepted.

When the entire application process is complete, students simply register for the courses in the program as described on the program handouts and on the GSE website gse.rutgers.edu. It is the responsibility of the student to enroll in all of the required courses through Rutgers University. No program requirements may be met at any other institution. Students are expected to maintain a “B” or better average as a non-degree student. Accepted students will have 5 years to complete the program.

After completing all of the required courses in the program, students should contact the Office of Academic Services at the GSE to notify them and to secure an application for the state endorsement. GSE personnel will then forward the completed application to Trenton along with a recommendation that the certification be awarded.
V. PROFESSIONAL EDUCATION REQUIREMENTS:
Students who are pursuing a master’s degree with initial certification while also working towards this endorsement program must register for on-campus sections of all required GSE courses (excluding 05:300:350) unless otherwise approved by GSE program faculty.
