We cordially invite you to join us to celebrate the 95th anniversary of the GSE. In honor of our anniversary, we are launching the Advancing Excellence and Equity in Education Distinguished Lecture Series. Dr. Deborah Loewenberg Ball, the William H. Payne Collegiate Professor of education at the University of Michigan, an Arthur F. Thurnau Professor, the director of TeachingWorks, and the current President of the American Educational Research Association (AERA) will give the inaugural lecture on diversity and inclusion in the STEM fields.

Seats are limited, so please RSVP afsheen.shamsi@gse.rutgers.edu.

We look forward to seeing you there!
