

The goal of this report is to share the available state data on novice teachers that this Educator Preparation Provider (EPP) recommended for certification. To create the report, the New Jersey Department of Education (NJDOE) has synthesized data from multiple sources. A list of these sources is available at the end of this report. Unless otherwise indicated, the data used in this report represents a one year cohort of teachers who earned a Certificate of Eligibility with Advanced Standing (CEAS) in the 2017-2018 school year who may have been employed in the 2019-2020 school year in a New Jersey public school. For additional details see further explanation in the glossary on the last page.

Evaluation Results

Evaluation data for certified program completers from the 2017-18 school year employed in the 2018-19 school year.

Summative Score

Summative scores are based on multiple measures of student achievement and teacher practice. While all teachers receive an annual summative evaluation, the components used to determine the summative score vary depending on the grades and subjects that educators teach.

Teacher Practice Score

Practice is measured by performance on a teacher practice instrument, which is used to gather evidence primarily through classroom observations and pre/post-conferences. Districts have the flexibility to choose from a growing list of state-approved instruments.

Teacher SGP Score

Median Student Growth Percentile (mSGP) scores are one of the multiple measures of student achievement for qualifying teachers of 4th-8th-grade Language Arts and 4th-7th-grade Math.

Teacher SGO Score

The combined score for a teacher's Student Growth Objectives as assessed by the district's evaluation system for assigning teacher or principal performance ratings.

Term	Definition
Accreditation	Teacher preparation programs are accredited at least every 7 years. An institution that has a professional education unit and has completed successfully a review process by a national professional organization recognized by the Council on Higher Education Accreditation or approved by the Commissioner. The institution must meet State, professional, and institutional standards as determined by a review of its individual programs and overall capacity to prepare education professionals.
CEAS Educator Preparation Program	A program provided by an accredited higher education institution. This program primarily occurs prior to a candidate actively working under a provisional certificate.
Certificate of Eligibility with Advanced Standing (CEAS)	A certificate with lifetime validity issued to persons who have completed degree, academic study, applicable test requirements, and CEAS educator preparation programs for certification. The CEAS permits the applicant to seek and accept employment in positions requiring certification.
Data Collection and Reporting	<p>The New Jersey Department of Education (NJDOE) collects and aggregates the data used for this report from multiple sources. Suppression rules have been applied for the assessment, compensation, and evaluation data included in this report to prevent the identification of individuals and the disclosure of their personal information. The NJDOE collects:</p> <ul style="list-style-type: none"> • Certification data from EPPs and individuals through the Teacher Certification Information System (TCIS), which contains all information regarding the certification status of teachers who have applied for and/or hold a New Jersey certification. • Employment and Compensation data from school districts through the staff-level Standards Measurement and Resource for Teaching (NJSMART) data system. • Higher Education data from the Office of the Secretary of Higher Education's (OSHE) Student Unit Record (NJSURE) system. OSHE collects data from Institutions of Higher Education (IHE's), but not all IHEs are required to submit data to the NJSURE database. Non-submitting institutions have been noted in the report. • Program level data from EPPs through the teacher preparation program approval process. • School level category data is calculated using growth and proficiency data. This data includes student assessment data, graduation rates, and student growth over time. • Student level demographic data from school districts through the student student-level Standards Measurement and Resource for Teaching (NJSMART) data system.
edTPA	Educative Teacher Performance Assessment (edTPA) is the Commissioner-approved assessment measuring a candidate's ability to prepare a lesson, deliver instruction, and assess student learning.
Evaluation: Annual Summative Evaluation Rating	An annual evaluation rating that is based on appraisals of educator practice and student performance, and includes all measures captured in a teaching staff members evaluation rubric. The four summative performance categories are highly effective, effective, partially effective, and ineffective.
Evaluation: Student Growth Objective (SGO)	An academic goal that teachers and designated supervisors set for groups of students.
Evaluation: Student Growth Percentile (SGP)	A specific metric for measuring individual student progress on Statewide assessments by tracking how much a students test scores have changed relative to other students Statewide with similar scores in previous years.
Evaluation: Teacher Practice Score	Performance on a state-approved teacher practice instrument (e.g., Danielson, Marzano, et al.), which is used to gather evidence primarily through classroom observations.
Evaluation	A combination of scores (Student Growth Percentile (mSGP), teacher practice, and student growth objective) that provide a look into teacher effectiveness.
Expired Assessments	When the State Board of Education adopts a resolution to replace a required PRAXIS II test, the replaced test becomes expired. In cases where an individual earns a passing score on the previously required test.
