

NON-DEGREE ENDORSEMENT PROGRAM FOR READING SPECIALIST

Leading to NJ Reading Specialist Certification

- I. PROGRAM DESCRIPTION:** This program is designed for individuals who wish to receive the Reading Specialist Certification by taking GSE courses on-campus and online. The certification permits individuals to work as a reading/literacy specialist in public and private schools grades K-12. The program is designed to enable teachers to plan programs appropriate for children of differing abilities and diverse cultural backgrounds based on research and theory, to foster a vision of literacy learning as an active social process in which students become engaged readers with strategies for independent reading, and the motivation to read for pleasure and for information.

In order to apply for this program, an applicant must already possess a New Jersey Standard Instructional Certificate, have two years full-time teaching experience, and must hold a master's degree. (Anyone interested in becoming certified as a reading specialist while simultaneously earning a master's degree must apply to the Ed.M. program in Reading with certification rather than this program.)

Students admitted to this non-degree program may apply to the Ed.M. program in Reading with Reading Specialist Certification, **prior to completing 12 credits** and, **upon acceptance**, may complete both the Reading Specialist Certificate and the master's degree. Additional requirements beyond the 30 required credits for the certificate include taking 6 credits in consultation with an advisor and completing a portfolio project. It is essential that you apply early because taking the courses does not guarantee acceptance to the master's program.

- II. APPLICATION DEADLINES:** No applications can be admitted less than two weeks before the beginning of the semester in which the program would be started. Applications must be submitted and complete at least two weeks before the beginning of the semester.
- III. APPLICATION REQUIREMENTS:** To be considered for admission to the program, applicants must provide all of the following:
1. A Statement of Program Intent
 2. An electronic copy of a New Jersey Standard Instructional Certificate.
 3. Verification of experience from the applicant's current or previous supervisor or HR department, on school district letterhead, certifying the completion of **two years** of successful, full-time employment and a New Jersey Standard Instructional Certificate.
 4. Graduate transcripts

Only complete applications will be reviewed.

Accepted students will have 5 years to complete the program.

The program requires 30 credits of Rutgers University graduate coursework but does not lead to a graduate degree. If the student later decides to apply to the Reading Specialist Ed.M. program in s/he must formally apply to the master's program.

After completing all of the required courses in the program, students should contact the Office of Academic Services at the GSE to notify them and to secure an application for the state endorsement.
