

NON-DEGREE ENDORSEMENT PROGRAM IN PRESCHOOL - GRADE 3 **Leading to NJ Preschool-Grade 3 Certification**

- I. PROGRAM DESCRIPTION:** This 24-credit endorsement in Preschool-Grade 3 is available to individuals who hold a Standard Instructional Certificate or Certificate of Eligibility with Advanced Standing (CEAS) in the state of New Jersey. Students already enrolled in a degree program at the GSE, who already possess a Standard or CEAS or are currently working toward initial teacher certification, may complete the endorsement program in conjunction with their degree program. In addition, non-degree-seeking students may complete the program on a non-matriculated basis (see below for more information about this option).

The program has three goals: (1) to prepare early childhood professionals to work in diverse settings with an understanding of the contexts in which children grow and develop; (2) to prepare teachers who are knowledgeable about children's learning and their physical, cognitive, social and emotional development; and (3) to foster an understanding of a variety of ways in which early childhood programs can be delivered to support the foundations of discipline-based knowledge in literacy, mathematics, science, and art.

- II. APPLICATION DEADLINES:** No admit decisions can be processed less than two weeks before the beginning of the semester in which the program would be started. Applications must be submitted and completed at least two weeks before the beginning of the semester.

1. A photocopy of a New Jersey Standard Instructional Certificate or a Certificate of Eligibility with Advanced Standing (CEAS).
