

## **ED.M. WITH INITIAL LICENSURE IN DANCE K-12 TEACHING (POST-BACCALAUREATE)**

Revised Summer, 2024

*Students who complete this program successfully will receive an Ed.M. in Dance Education from the GSE as well as a recommendation to the New Jersey Department of Education for a **Certificate of Eligibility with Advanced Standing (CEAS) in Dance (K-12)***

**I. PROGRAM DESCRIPTION:** The Ed.M. with Initial Licensure in Dance K-12 Teaching (Post-Bacc), offered jointly by the GSE and Rutgers' Mason Gross School of the Arts, is designed for individuals who have completed a bachelor's degree, or 30 credits in dance or a closely related discipline, and wish to become highly qualified dance teachers. Students in this program must complete required general education and dance coursework. Once admitted to the program, students enter a professional education sequence to prepare them as teachers of dance.

Upon completion of program requirements, students earn an Ed.M. in Dance Education and the GSE will make a recommendation to the New Jersey State Department of Education on behalf of the student to receive a Certificate of Eligibility with Advanced Standing (CEAS) as a teacher of Dance K-12.

The Ed.M. with Initial Licensure in Dance K-12 Teaching (Post-Bacc) offers a range of foundational and specialized topics in dance education using a cohort model. Students deepen their understanding of dance education through comprehensive, empirically driven curriculum and carefully curated coursework to equip students with the skills and experience needed to fulfill teaching and administrative roles in the arts and education. Students engage in experiences to develop their knowledge of dance-as-art as an educational and community practice; dance learning contexts for their potential to nurture identity formation, engender empathy, embrace diverse perspectives, and shape social transformation; curriculum development, advocacy, strategies for instruction, class management, and assessment.

In alignment with the GSE's mission, all teacher preparation programs and courses are designed to prepare teacher candidates to be culturally responsive practitioners and effectively teach diverse learners by fostering a deep understanding of students from historically underserved linguistic, economic, and cultural backgrounds and communities. Pedagogy courses aimed at meeting the specific learning needs of elementary, middle and high school students, along with carefully crafted internships under the guidance of experienced teachers and expert faculty providing feedback, ensure that candidates are well-prepared as teachers to advance equity and excellence in their content area.

**II. SUBJECT MATTER SPECIALIZATION:** Before teacher certification can be recommended, the student must have completed a minimum of 30 credits in dance. Fulfillment of dance courses is not required for admission into the program and may be completed co-requisitely during the master's degree program. Courses appearing on an undergraduate transcript that may satisfy these requirements must be comprehensive and

representative of core artistic process content in dance, including knowledge and experience in Creating, Performing, Responding, and Historical/Cultural inquiry as aligns with the New Jersey Core Curriculum Content Standards, Performing Arts - Dance and New Jersey Professional Teaching Standard Four: Content Knowledge.

**III. APPLICATION REQUIREMENTS:** To be considered for admission to the program, applicants must provide the following before the application deadline:

1. Personal statement
2. One letter of recommendation
3. Official undergraduate transcripts - the New Jersey Department of Education requires a minimum GPA of 2.75 to be admitted to a teacher education program.

(NOTE: Praxis Core, SAT, GRE, ACT or other basic skills exams are no longer required as of January 1, 2025. Admission to the GSE Teacher Education Programs is competitive. Meeting the minimum requirements above does not guarantee admission.)

**Consider starting an additional state licensure program and/or a Rutgers certificate program while working on your master's degree requirements. In consultation with your advisor, you may consider taking courses from these areas in place of your graduate-level elective(s).\***

You must complete an application form and obtain a signature from your faculty advisor prior to the final semester of the program. The application forms are available in the Office of Student and Academic Services or by emailing Marie Pavelchak at: [marie.pavelchak@gse.rutgers.edu](mailto:marie.pavelchak@gse.rutgers.edu). Some programs require licensure exams for admission and/or certification recommendation.

These programs do not lead to a degree of any kind.

It is your responsibility to enroll in all of the required courses through Rutgers University. No program requirements may be met at any other institution. You are expected to maintain a "B" or better average in the non-degree coursework.

After completing all of the required courses in a NJ certification program, you should contact Ken Tufo in the Office of Student and Academic Services for instructions on applying for the state endorsement. Please note that you cannot obtain an endorsement until you complete the initial teacher certification. After completing all of the required courses in a GSE certificate program, you contact Marie Pavelchak to obtain your completion certificate.

\*Not all courses are available to five-year students during their senior year. You may not be able to complete these programs until after you earn your master's degree. Please email [ken.tufo@gse.rutgers.edu](mailto:ken.tufo@gse.rutgers.edu) for specifics.
