

ED.M. IN LANGUAGE EDUCATION WITH INITIAL CERTIFICATION: WORLD LANGUAGE K-12 TEACHING (TWO-YEAR MASTER'S)

Revised Summer, 2024

*Students who complete this program successfully will receive an Ed.M. in Language Education from the GSE as well as a nomination to the New Jersey Department of Education for a **Certificate of Eligibility with Advanced Standing (CEAS) in the target language.***

I. PROGRAM DESCRIPTION: The Ed.M. in Language Education with Initial certification program is designed for individuals who have completed a bachelor's degree and have oral and written proficiency in a world language other than English and wish to become highly qualified world language teachers. Students in this program must complete the required general education and language coursework. Once admitted to the program, students enter a professional education sequence to prepare them as teachers of world language.

Upon completion of program requirements, students earn a master's degree in Language Education and the GSE will make a nomination to the New Jersey Department of Education on behalf of the student to receive a Certificate of Eligibility with Advanced Standing (CEAS) in Teacher of the target language (K-12).

The Ed.M. in Language Education with Initial certification program offers a range of foundational and specialized topics in world language education using a cohort model. These topics include principles of classroom learning, evaluation and assessment, educational psychology, and classroom organization, but with specific appreciation for their context in world language education. Students will learn the process of second language acquisition, how languages work, and teaching methods that develop the target language and culture in ways that build from students' linguistic and cultural resources.

In alignment with the GSE's mission, all teacher preparation programs and courses are designed to prepare teacher candidates to be culturally responsive practitioners and effectively teach diverse learners by fostering a deep understanding of students from historically underserved linguistic, economic, and cultural backgrounds and communities. Pedagogy courses aimed at meeting the specific learning needs of elementary, middle and high school students, along with carefully crafted internships under the guidance of experienced teachers and expert faculty providing feedback, ensure that candidates are well-prepared as teachers to advance equity and excellence in their content area.

II. SUBJECT MATTER SPECIALIZATION: Before students can be nominated for teacher certification, they must complete a major or its equivalent (a coherent 30-credit sequence) in a world language, including: reading, writing, and speaking the language; the structure of the language; and related cultural studies. A minimum of twelve credits must be at the 300 or 400 level. Languages available: Arabic, Chinese, ESL, French, German, Greek, Hebrew, Italian, Japanese, Korean, Latin, Portuguese, Russian, and Spanish.

III. APPLICATION REQUIREMENTS: To be considered for admission to the program, applicants must provide the following before the application deadline:

1. Personal statement
2. One letter of recommendation
3. Official undergraduate transcripts - the New Jersey Department of Education requires a minimum GPA of 2.75 to be admitted to a teacher education program.
