

## **ED.M. WITH INITIAL LICENSURE IN ELEMENTARY K-6 TEACHING (POST-BACCALAUREATE)**

Revised Summer, 2024

*Students who complete this program successfully will receive an Ed.M. in Elementary Education from the GSE as well as a recommendation to the New Jersey Department of Education for two teaching certificates: a **Certificate of Eligibility with Advanced Standing (CEAS) in Elementary School Teacher (K-6)**.*

**I. PROGRAM DESCRIPTION:** The Ed.M. with Initial Licensure in Elementary K-6 Teaching (Post-Bacc) is designed for individuals who have completed a bachelor's and wish to become highly qualified elementary teachers. Students in this program must complete required general education coursework. Once admitted to the program, students enter a professional education sequence to prepare them as elementary teachers.

Upon completion of program requirements, students earn an Ed.M. in Elementary Education and the GSE will make a recommendation to the New Jersey State Department of Education on behalf of the student to receive a Certificate of Eligibility with Advanced Standing (CEAS) as a teacher of Elementary K-6.

The Ed.M. with Initial Licensure in Elementary K-6 Teaching (Post-Bacc) offers a range of foundational and specialized topics in elementary education using a cohort model. These topics include principles of classroom learning, evaluation and assessment, classroom organization, literacy development, community relations, and educational psychology.

In alignment with the GSE's mission, all teacher preparation programs and courses are designed to prepare teacher candidates to be culturally responsive practitioners and effectively teach diverse learners by fostering a deep understanding of students from historically underserved linguistic, economic, and cultural backgrounds and communities. Pedagogy courses aimed at meeting the specific learning needs of elementary students, along with carefully crafted internships under the guidance of experienced teachers and expert faculty providing feedback, ensure that candidates are well-prepared as teachers to advance equity and excellence in their content area.

**II. MAJOR:** Any undergraduate major is acceptable for this program.

**III. APPLICATION REQUIREMENTS:** To be considered for admission to the program, applicants must provide the following before the application deadline:

1. Personal statement
2. One letter of recommendation
3. Official undergraduate transcripts - the New Jersey Department of Education requires a minimum GPA of 2.75 to be admitted to a teacher education program.

(NOTE: Praxis Core, SAT, GRE, ACT or other basic skills exams are no longer required as of January 1, 2025. Admission to the GSE Teacher Education Programs is competitive. Meeting the minimum requirements above does not guarantee admission.)

**Consider starting an additional state licensure program and/or a Rutgers certificate program while working on your master's degree requirements. In consultation with your advisor, you may consider taking courses from these areas in place of your graduate-level elective(s).\***

You must complete an application form and obtain a signature from your faculty advisor prior to the final semester of the program. The application forms are available in the Office of Student and Academic Services or by emailing Marie Pavelchak at: [marie.pavelchak@gse.rutgers.edu](mailto:marie.pavelchak@gse.rutgers.edu). Some programs require licensure exams for admission and/or certification recommendation.

These programs do not lead to a degree of any kind.

It is your responsibility to enroll in all of the required courses through Rutgers University. No program requirements may be met at any other institution. You are expected to maintain a "B" or better average in the non-degree coursework.

After completing all of the required courses in a NJ certification program, you should contact Ken Tufo in the Office of Student and Academic Services for instructions on applying for the state endorsement. Please note that you cannot obtain an endorsement until you complete the initial teacher certification. After completing all of the required courses in a GSE certificate program, you contact Marie Pavelchak to obtain your completion certificate.

\*Not all courses are available to five-year students during their senior year. You may not be able to complete these programs until after you earn your master's degree. Please email [ken.tufo@gse.rutgers.edu](mailto:ken.tufo@gse.rutgers.edu) for specifics.
