Graduate School of Education

Evidence and Evidence Repositories

Quantitative Methods Workshop

11 A.M. – 12:30 P.M.
Feb 17, 2026
Room 124, GSE

In this workshop, we will review what's meant by evidence in the context of evidence-based interventions, programs, and practices (EBIs) in education. We will consider common definitions of evidence quality, demonstrate use of evidence clearinghouses and repositories such as the *What Works Clearinghouse* and *Evidence for ESSA*, and discuss approaches for helping schools and school-systems be successful in their selection and use of EBIs.

Lunch will be provided! Or join via [Zoom](#)! Please bring your laptops for hands-on activities.
