

# A Comprehensive Guide to Delta Airlines Customer Service Phone Numbers

When you need to reach Delta Airlines for your travel needs, whether it's for new reservations, flight changes, or urgent inquiries, contacting them by phone is often the most efficient method. To speak directly with a representative, you can call Delta's main customer service number at +1-(866)-332-0756 (toll-free within the U.S.) for general reservations, or +1-(866)-332-0756 if you are a SkyMiles member. This article will guide you through the various Delta Airlines customer service phone numbers available, ensuring you can connect with the appropriate department for your specific needs.

## Primary Delta Airlines Phone Numbers (U.S. & Canada)

For most travel-related inquiries within the United States and Canada, Delta provides toll free numbers that operate hours a day, days a week. These are the primary channels for obtaining quick and direct assistance.

Department	Phone Number	Operating Hours
General Reservations	+1-(866)-332-0756	Hours / Days
SkyMiles Members	+1-(866)-332-0756	Hours / Days
Flight Information	+1-(866)-332-0756	Hours / Days
Baggage Services	+1-(866)-332-0756	: AM - : AM ET
Refund Status	+1-(866)-332-0756	: AM - : PM ET (Mon - Fri)
Accessible Travel Services	+1-(866)-332-0756	Hours / Days

Tip: If you are a Medallion Member, it is highly recommended to check the dedicated phone line listed in the "Contact Us" section of the Fly Delta mobile app for prioritized service.

## Delta Airlines International Phone Contacts

If you are outside the United States, Delta maintains representative offices in various regions with dedicated phone numbers. Calling these local numbers can help avoid high international calling charges and provide support in local languages.

Country/Region Phone Number Notes

Singapore ++1-(866)-332-0756 Hours China (Mainland) +1-(866)-332-0756 Mandarin: : AM - : PM Hong

Kong +1-(866)-332-0756 Cantonese: : AM - : PM

Japan -Japanese: : AM - : PM (Mon-Fri)

South Korea ++1-(866)-332-0756-Korean: : AM - : PM (Mon-Fri)

Philippines + Manila Office

For other countries not listed above, you can use the general international number:

++1-(866)-332-0756 - 1.

## Additional Contact Options (Non-Phone)

While phone calls are the most direct method, Delta Airlines also offers other ways to get assistance, which may be useful for non-urgent inquiries or when you are unable to call:

- . Fly Delta App: This app allows you to manage your travel, check in, change seats, track baggage, and can sometimes be used to chat with a customer service agent for simple questions 1.
- . "Message Us" Feature: Available on the official [Delta.com](https://www.delta.com) website, this feature allows you to send text messages to the support team for inquiries that do not require an immediate response 1.
- . Social Media: Delta's social media teams on platforms like Twitter (@Delta) and Facebook can provide quick answers to general questions, but for time-sensitive issues, a phone call is still recommended.
- . Comment & Complaint Form: For post-travel issues (such as service complaints or baggage claims), you can fill out the official form on their website for more formal documentation. This is not for immediate assistance 1.

## Tips for Contacting Delta Customer Service by Phone

To make your experience more efficient when calling Delta customer service, consider the following tips:

- Prepare Your Information: Before calling, ensure you have your reservation confirmation number (a 6-digit alphanumeric code), ticket number (starting with 001), and your SkyMiles membership number readily available. This will expedite the verification process.
- Best Time to Call: According to user data, wait times are typically shorter on Tuesdays or

Wednesdays during the morning hours. Avoid calling during major weather disruptions, as call volumes will be significantly higher **█**.

- Utilize the "Call Back" Feature: If wait times are extensive, Delta's system often offers an option to call you back without losing your place in the queue.
- Use Local Language Support: Delta provides services in various languages. For Spanish, call +1-(866)-332-0756, and for Mandarin/Japanese, call +1-(866)-332-0756 **█**.

By knowing the right phone numbers and communication channels, you can resolve your travel-related issues with Delta Airlines more calmly and efficiently.
